READ CAREFULLY!

N.C. Veterinary Medical Board and SAMS have strict policies on medications.

1. Medications must be for the specific pet.
2. Medications must be in proper containers.
3. Medications must be labeled properly:
 - Name of Pet
 - Name of Owner
 - Name of Medication
 - Strength of Medication
 - Dosage Instructions
4. There is a charge for medicating pets.
5. There is a charge for medicines that must be relabeled, repackaged or refilled.
