MEDICATIONS

Owner's Name _____

Pet's Name _____

N.C. Veterinary Medical Board and SAMS have strict policies on medications.

1. Medications must be for the specific pet.
2. Medications must be in proper containers.
3. Medications must be labeled properly:
4. There is a charge for medicating pets.
5. There is a charge for medicines that must be relabeled, repackaged, or refilled.

- Please be sure to tell us when you gave the last dose of each medicine.
- Pets will not be given afternoon medications the day they go home, so be sure to medicate them that night.

<u>Name of Medication</u>	<u>No. times/day</u>	<u>Last time given</u>
